

Pamper with Purpose

A donation drive dedicated to collecting hygiene products and redistributing them to those in need within our community.

What began as a ‘product graveyard’ has grown into a community movement. Together, we’re transforming gently used personal care items into meaningful donations for those in need. Your business or community group can join us in making an impact—supporting neighbors while helping reduce waste and promote mindful consumption.

Donations from these drives go to local homeless shelters, women’s shelters, and children in transitional housing, helping provide comfort and care to those who need it most.
